CALC Training

CALC offers a variety of training courses designed for councillors and clerks who want to refresh their skills and knowledge and for those new to the roles.

Our courses highlight the core themes of roles and responsibilities that derive from the law and underpin process, procedure and good practice. Courses can be tailored to your council's requirements.

Our courses run throughout the year, usually with a break over the summer.

We try to offer a daytime or evening option where possible but you can request a specific time for bespoke training being delivered for your council.

We also try to offer a range of locations throughout the county and we can visit your council at its meeting place to deliver training.

How to Book

Have a look through our brochure and discuss it at your next council meeting. Book on to one of our timetabled courses via phone, email or the website booking form or contact us to discuss booking in house training for your council where we come to you at a time and place convenient to you. If you would like in house training but are struggling with the cost, let us know and we'll see if we can pair you with another council to share the cost of whole council training.

Look out for emails with details of additional courses we will run which have been requested by you.
