Making Eden voices heard

## **Sustainable Communities EALC workshop with Eden District Council**

This workshop aims to help local communities understand more about the support that is available to them from Eden District Council

- Meet Chief Executive Officer, Rose Rouse and gain an insight into how Eden District Council is preparing for the challenges we will face in the coming years, through three strategic priorities.
- Back by popular demand, Planning Policy Manager Kevin Hutchinson will pose more brain-baffling questions on the Local Plan 2014-2032 to help parishes be clear about material considerations when responding to planning consultations

The workshop is an opportunity to discuss these plans and policies with colleagues from Eden District Council and understand how you can use them to benefit your parish.

**Date: Wednesday 5 June 2019**

**Time: 7.15pm for 7.30pm start**

**Place: Council Chamber, Town Hall, Penrith**

Come along and tell Eden District Council what support your parish needs...
