

EALC

Making Eden voices heard

Sustainable Communities EALC workshop with Eden District Council

This workshop aims to help local communities understand more about the sustainability support that is available to them from Eden District Council

- Learn how your parish could use a housing survey to identify local need and provide dwellings through a community-led housing scheme
- Be clear about material considerations when responding to planning consultations and how they relate to the Local Plan 2014-2032 that will shortly be adopted.
- Protect the assets that your parish residents cherish and ensure they are available for future generations through a 'right to bid' registration

The workshop is an opportunity to discuss these policies and procedures with colleagues from Eden District Council and understand how you can use them to benefit your parish.

Date: Wednesday 17 October 2018

Time: 7pm for 7.30pm start (30 mins to visit information stalls)

**Place: Cumbria Fire and Rescue Service HQ,
Kemplay Bank, Penrith CA10 2FA**

Information stands will be provided by a number of partners, including Cumbria County Council and ACTion with Communities in Cumbria.

Come along and tell Eden District Council what support your parish needs...
