HMRC PAYE BASIC TOOLS

HMRC Basic Tools offers **Basic PAYE Tools** is free payroll software from HMRC for businesses with fewer than 10 employees. It allows you to perform most payroll tasks, including working out the tax and National Insurance for your employees and sending this information to HMRC.

- Does your council use this and you want to have some basic training on it?
- Does your council not use Payroll software, and you want to know more?

7 May, 7pm, on Teams, £20 a person
